To whom it may concern

It was a pleasure working with Jeff Smies and Associate for our renovation at Bethany Lutheran Church, Kohler, Wisconsin. We started on the project four years ago with a wish list. After many lengthy meetings, discussions and voters' meetings, the project was passed to move forward.

During the project, many obstacles came up unforeseen. These issues were addressed promptly by Jeff Smies and the work was completed by the due date. He was very courteous and always on time for meetings that took place.

I would recommend Jeff Smies and Associates to everyone when they take on such renovation projects.

Thank you.
